

where theory meets practice

Your Industrial Training Partner

www.webcooks.in

An initiative of *Core Innovative Solutions*

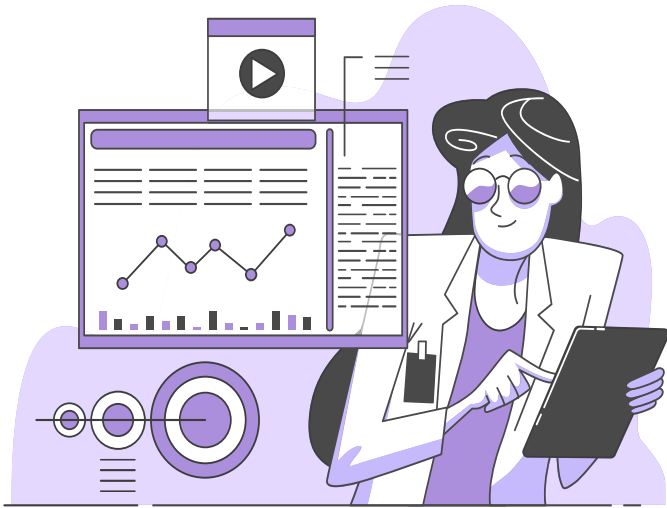

Mr. Ripun Gupta, realized the need for a quality training company and started Webcooks in 2019.

Webcooks was established with the sole aim of digitally upskilling Amritsar and to bridge the skill gap between the educational curriculum and the industry demand.

...

WHY WEBCOOKS?

By not following the traditional method of being taught by the teachers, we at Webcooks have a team of experienced and trained professionals.
